Address __________________________________________________________________________________

City ______________________________________________ State ______________ Zip _________________

For the purpose of designing the best symposium for all participants, please provide us with the following information:

1. Choose one of the following:
   ___ I have Alpha Gal
   ___ I have a family member with AG
   ___ I have a friend with AG
   ___ I am a medical professional
   ___ Other ________________________

2. If you have AG, when were you diagnosed?
   ___ Less than one year
   ___ 1-2 years ago
   ___ More than 2 years ago

3. Briefly describe your typical AG reaction (i.e., hives, itching, anaphylaxis, etc.) _______________
   ______________________________________________________________________________________
   ______________________________________________________________________________________

4. What would you like to learn from this symposium? ________________________________________
   ______________________________________________________________________________________
   ______________________________________________________________________________________

The symposium fee is $25 and includes a continental-style breakfast with coffee and juice, and a full lunch. We'll be having a pasta bar (some gluten-free) with emu spaghetti as well as vegetarian mariana, and tossed salad.

_____ Conference registrations at $25 each:   $___________
